WHEREAS, Texas Transportation Code, §545.352 establishes prima facie reasonable and prudent speed limits for various classes of vehicles on various categories of public roads, streets and highways; and

WHEREAS, Texas Transportation Code, §545.353 empowers the Texas Transportation Commission (the "commission") to alter those prima facie limits on any part of the state highway system as determined from the results of an engineering and traffic investigation conducted according to the procedure adopted by the commission; and

WHEREAS, in the following counties, engineering and traffic investigations have been made to determine the reasonable and safe prima facie maximum speeds when displayed on the following sections of highway where construction projects are in progress.

District VARIOUS

IT IS FURTHER ORDERED that the executive director is directed to implement this order for control and enforcement purposes by the erection of appropriate signs showing the prima facie maximum speed limits as tabulated under the heading, "Construction Speed," in accordance with the Texas Department of Transportation's (the "department") "Procedures for Establishing Speed Zones." Upon completion of each construction project, all such signs applying to that project shall be removed. The completion and/or acceptance of each project shall cancel the provision of this Minute Order applying to said project.

WHEREAS, it has been determined by these engineering and traffic investigations that the reasonable and safe maximum speeds for the sections of highways described above are shown under "Speed";

NOW, THEREFORE, IT IS ORDERED that the executive director be authorized to proceed with the erection of appropriate signs showing the maximum speed limits;

IT IS FURTHER ORDERED that a provision of any prior order by the commission which is in conflict with a provision of this order is superseded to the extent of that conflict.

CANCELED SPEED ZONES

WHEREAS, in various counties, the Texas Transportation Commission has by Minute Orders set speed limits on various sections of highways of the State Highway System; and

WHEREAS, speed limits on the following sections of highways are no longer necessary or have been incorporated by cities which have the authority to set speed limits on these sections of highways;

NOW, THEREFORE, IT IS ORDERED that the following Minute Orders or parts of Minute Orders which establish speed limits on these sections of highways be canceled.

CANCELED AND SUPERSEDED SPEED ZONES

WHEREAS, in various counties, the Texas Transportation Commission has by Minute Orders set speed limits on various sections of highways of the State Highway System; and

WHEREAS, previously approved speed limits on the following sections of the highways are revised, no longer necessary, or have been incorporated by various cities which have the authority to set speed limits on these sections of highways;

NOW, THEREFORE, IT IS ORDERED that the following Minute Orders or parts of Minute Orders which establish speed limits on these sections of highways be canceled and superseded.
