February 25, 1965

Minutes of the Six Hundred and Twentieth Meeting, a Regular Meeting of the State Highway Commission held in Austin, Texas, with the following members present:

Herbert C. Petry, Jr.  Chairman
Hal Woodward  Member
J. H. Kultgen  Member
D. C. Greer  State Highway Engineer

IT IS ORDERED that a Regular Meeting of the State Highway Commission be opened at 9:30 A.M., February 25, 1965.

February 25, 1965

An initial appropriation of $793,600.00 is hereby made to cover the State's share of cost to be incurred in the acquisition of right of way on the following listed projects which have been previously authorized by the Commission. Reimbursements to the counties and cities for the State's share of right of way expenditures will be made in accordance with the State-County or City Agreement.

55561

IT IS ORDERED BY THE COMMISSION that the State Highway Engineer be authorized to proceed with the purchase of Equipment for New and Proposed Buildings in the amount of $24,095.44 and appropriation of this amount to the following accounts is hereby made for this purpose. This is in accordance with the 1964-1965 Approved Budget for Departmental Operations, Item 4D.

Account No. 8430-30-3, Shop Equipment $ 4,200.00
Account No. 8460-30-6, Engineering Equipment 120.00
Budget 3, Authorization 19 17,275.44
Project MC-11-L-12, 2,500.00
Budget 34, Authorization 672

TOTAL $ 24,095.44
WHEREAS, the State Highway Commission, under provision of House Bill 993 enacted by the State Legislature in the 56th Regular Session, is authorized to fix the maximum gross weight of vehicles or combination thereof and load or maximum axle and wheel loads which may be transported or moved on, over or upon any State Highway or Farm to Market or Ranch to Market Road at a less weight than the legal loads when it is found that greater maximum weight would tend to rapidly deteriorate or destroy the roads, bridges or culverts; and

WHEREAS, an engineering and traffic investigation has been made of the Highway System to determine and fix the maximum loads to be transported or moved on, over or upon the roads and structures of said Highway System; and

WHEREAS, it has been determined from this investigation that the loads on certain structures and sections of roads of the Highway System should be restricted or previous restrictions should be revised or removed;

NOW, THEREFORE, IT IS ORDERED that the maximum limits of loads which may be transported or moved on, over or upon those roads and structures as described in the attached lists be fixed, revised and removed as set forth therein, superseding any portion of previous action in conflict herewith; and

IT IS FURTHER ORDERED that the State Highway Engineer shall proceed with the erection, revision and removal of signs as appropriate, thereby making the fixing, revision and removal of these load limitations effective and operative.

WHEREAS, the State Highway Commission has found in order to promote the Public Safety, to facilitate the Safety and movement of traffic, to preserve the financial investment of the public in its highways and to promote the National Defense, public necessity requires the laying out, opening, constructing, reconstructing, maintaining, and operating of Controlled Access Highways in the State of Texas as a part of the State Highway System at such locations as are necessary to complete the National System of Interstate and Defense Highways throughout the State of Texas; and,

WHEREAS, the State Highway Commission has found and determined that each of the following listed parcels of land, same being more particularly described in the exhibits attached hereto, and such additional lesser estates or property interests described thereon, are necessary and suitable for use for such purposes and it is necessary to acquire fee simple title to said land, as provided by law, as a part of the State Highway System to be so constructed, reconstructed, maintained, and operated thereon, and in the exercise of the police power of the State for the preservation of human life and safety, and under existing laws, the highway to be constructed on each such parcel of land is designated as a Controlled Access Highway, and roads are to be built as a part of said highway whereby the right of ingress and egress to or from the remaining private property abutting on said highway is not to be denied; and,

WHEREAS, the State Highway Commission, through its duly authorized representatives, has negotiated with the owner or owners of each of such parcels of land and has been unable to agree with such owner or owners as to the fair cash market value thereof and damages, if any;

NOW, THEREFORE, it is hereby ordered that the State Highway Engineer be and he is hereby authorized and directed to transmit this request of the State Highway Commission to the Attorney General of the State of Texas to file or cause to be filed, against all owners and lienholders, proceedings in eminent domain to acquire in the name of and on behalf of the State of Texas, for said purposes, fee simple title to each such parcel of land as are more particularly described in each of the exhibits attached hereto and made a part hereof, and such additional lesser estates or property interests as are more fully described in each of said exhibits, save and excepting, oil, gas and sulphur, as provided by law, to wit:

WHEREAS, it has been determined by these engineering and traffic investigations that the reasonable and safe prima facie maximum speeds on the sections of highways described herein are as tabulated under the heading, "Zone Speed."

NOW, THEREFORE, THE STATE HIGHWAY COMMISSION hereby declares and fixes the reasonable and safe prima facie maximum speed limits on the sections of highways described herein to be as tabulated under the heading, "Zone Speed," and it is ordered that the State Highway Engineer be authorized to proceed with the erection of appropriate signs showing the maximum speed limits as tabulated under the heading, "Zone Speed." Upon completion of each construction project all such signs applying to that project shall be removed. The completion and/or acceptance of each project shall cancel the provision of this Minute applying to said project.

WHEREAS, in the following counties, engineering and traffic investigations have been made to determine the reasonable and safe prima facie maximum speeds on the sections of

WHEREAS, Minute No. 51976 dated November 23, 1962, appropriated $5,000.00 for the purchase of approximately 2.08 acres of land, Block 86, Fairview Addition to the City of Childress, for use as an addition to the District Headquarters Site on U. S. Highway 287 at Childress, Childress County; and

WHEREAS, Considerable time has been spent trying to consummate this purchase, but due to defective title to the land and an increase in purchase price imposed by the proposed Grantor, it is not possible to complete the transaction as ordered by the above minute; and

WHEREAS, another tract of land has been located which is suitable as an addition to the District Headquarters Site;

NOW, THEREFORE, IT IS ORDERED BY THE COMMISSION, that Minute No. 51976 dated November 23, 1962, be and is hereby cancelled; and

FURTHER, that an appropriation of $5,300.00 be and is hereby made to cover the purchase of both the surface and mineral estates in approximately 3.86 acres of land, being Blocks 109 and 114, Fairview Addition to the City of Childress, for use as an addition to the District Headquarters Site on U. S. Highway 287.

WHEREAS, in BEXAR COUNTY, on INTERSTATE HIGHWAY 37, between Commerce Street and Delaware Street in San Antonio, the highway location traverses an area which is in the process of redevelopment by the San Antonio Urban Renewal Agency, their project being designated Civic Center Project Tex R-83; and

(Continued on next page)
WHEREAS, these are certain properties of which portions are needed for Interstate Highway right of way, with the remainders being needed for urban renewal purposes; and

WHEREAS, if the Urban Renewal Agency and the Highway Department act independently in the acquisition of the segments needed for their individual purposes this could result in excessive costs not in the best interests of conserving public funds; and

WHEREAS, in recognition of the fact that this situation can occur many times in the various urban areas throughout the United States, the Urban Renewal Administration and the Bureau of Public Roads have reached mutual agreement whereby the whole properties jointly needed by the Urban Renewal Agency and the Highway Department may be acquired by the Urban Renewal Agency, after which the segments needed for highway purposes will be deeded to the State, with the State reimbursing the Urban Renewal Agency for its prorata cost of the properties so acquired, and the Bureau of Public Roads reimbursing the State Highway Fund in the full amount prescribed for Federal participation in the development of the Interstate Highway System; and

WHEREAS, the procedures and basis for such Federal participation in the highway right of way are set forth in the Bureau of Public Roads' Policy and Procedure Memorandum 21-4.1(1) dated June 7, 1963, copy of which is attached and made a part of this Highway Commission Minute Order;

NOW, THEREFORE, since the Urban Renewal Agency of San Antonio has indicated a willingness to acquire the properties involved in accordance with the procedure as approved by the two Federal Agencies involved, the State Highway Engineer is directed to enter into a contract with the San Antonio Urban Renewal Agency whereby the Urban Renewal Agency will proceed to acquire the whole properties involved, and upon delivery of acceptable title to the State for the segments needed for highway purposes, the State Highway Department will reimburse the Agency for its prorata costs as are eligible as provided by the attached Bureau of Public Roads' PPM 21-4.1(1) and in accordance with the provisions of governing State law.

WHEREAS, in the City of Dallas, DALLAS COUNTY, Texas, on U. S. HIGHWAY 77, State funds were expended in the acquisition of certain lands needed by the State Highway Department for highway purposes, said land being vested in the State by deeds recorded in Volume 5409, Page 181 and Volume 5410, Page 219 and by Judgement of record in Volume 5824, Page 303, all of the Dallas County Deed Records; and

WHEREAS, it having been determined that a portion of said land is no longer needed for highway purposes or for the use of citizens as a road, said surplus land was advertised for sale as provided by Article 6673a, V. A. C. S., said surplus land being more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, a bid of $23,049.00 was submitted by Bankers Properties, Incorporated, which was the highest bid received; and

WHEREAS, the State Highway Commission finds $23,049.00 to be a fair and reasonable value for said land; and

WHEREAS, Article 6673a, V. A. C. S., authorizes the sale of such real property which is no longer needed for highway or local road purposes;

(Continued on next page)
February 25, 1965

NOW, THEREFORE, in consideration of the foregoing and in accordance with the provisions and within the purview of the aforementioned Statute, it is hereby recommended by the State Highway Commission that the Governor of Texas execute a proper instrument conveying the subject property to Bankers Properties, Incorporated, for a cash consideration of $23,049.00, said land being more particularly described in Exhibit A, attached hereto and made a part hereof.

WHEREAS, in JOHNSON COUNTY, Texas, on U. S. HIGHWAYS 67 and 81 (Interstate Highway 35W), the County purchased certain land needed by the State for highway purposes in the State's name at no cost to the State from O. U. Percifield et ux, Doris E. Percifield, by instrument dated September 6, 1941, of record in Volume 323, Page 56, of the Deed Records of Johnson County; and

WHEREAS, the aforesaid instrument contains a provision to the effect that at such time as the State ceases to use the property for road or highway purposes it will revert to the original grantors; and

WHEREAS, a portion of the land is no longer needed for highway purposes or for use of citizens as a road and has ceased to be used for such purposes by the State, said land being more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, Article 6673a, V. A. C. S., authorizes the quietclaiming of the State's title, rights and interest as necessary to comply with reversionary clauses contained in instruments by which the State's title, rights or interest were acquired; and

WHEREAS, it is the opinion of the State Highway Commission that it is proper and correct that the aforementioned land be quietclaimed to O. U. Percifield et ux, Doris E. Percifield, in consideration of the land having been originally conveyed to the State without cost to the State and in honor of the reversionary clause contained in the conveyance to the State;

NOW, THEREFORE, in consideration of the foregoing premises and in accordance with the provisions and within the purview of the aforementioned Statute, it is hereby recommended by the State Highway Commission that the Governor of Texas execute a proper instrument quietclaiming the State's title, rights and interest in said land to O. U. Percifield et ux, Doris E. Percifield, said land being more particularly described in Exhibit A, attached hereto and made a part hereof.

WHEREAS, in LUBBOCK COUNTY, Texas, on FARM TO MARKET HIGHWAY 1527, the County acquired an easement interest in certain land needed by the State Highway Department for highway right of way purposes in the State's name at no cost to the State by instrument dated September 6, 1950, recorded in Volume 420, Page 563 of the Deed Records of Lubbock County, Texas; and

WHEREAS, a portion of said land is no longer needed by the State for such purposes, or for the use of citizens as a road, said surplus land being more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, Article 6673a, V. A. C. S., authorizes the State's conveyance of its rights and interests in such surplus land to the owner of the fee in the land; and

(Continued on next page)
WHEREAS, it is the opinion of the State Highway Commission that it is proper and correct that the State quitclaim its rights and interests in the surplus land to the owner of the fee in the land in consideration of relieving the State Highway Department of the responsibility and cost of maintenance of the surplus land and in consideration of the easement having been granted originally to the State without cost to the State Highway Department;

NOW, THEREFORE, in consideration of the foregoing premises and in accordance with the provisions and within the purview of the aforementioned Statute, it is hereby recommended by the State Highway Commission that the Governor of Texas execute a proper instrument quitclaiming the State's rights and interests in the aforementioned surplus land to the owner of the fee in the land, said land being more particularly described in Exhibit A, attached hereto and made a part hereof.

WHEREAS, in LUBBOCK COUNTY, Texas, on FARM TO MARKET HIGHWAY 1527, the County acquired an easement interest in certain land needed by the State Highway Department for highway right of way purposes in the State's name at no cost to the State by instrument dated October 6, 1950, recorded in Volume 420, Page 298 of the Deed Records of Lubbock County, Texas; and

WHEREAS, a portion of said land is no longer needed by the State for such purposes, or for the use of citizens as a road, said surplus land being more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, Article 6673a, V. A. C. S., authorizes the State's conveyance of its rights and interests in such surplus land to the owner of the fee in the land; and

WHEREAS, it is the opinion of the State Highway Commission that it is proper and correct that the State quitclaim its rights and interests in the surplus land to the owner of the fee in the land in consideration of relieving the State Highway Department of the responsibility and cost of maintenance of the surplus land and in consideration of the easement having been granted originally to the State without cost to the State Highway Department;

NOW, THEREFORE, in consideration of the foregoing premises and in accordance with the provisions and within the purview of the aforementioned Statute, it is hereby recommended by the State Highway Commission that the Governor of Texas execute a proper instrument quitclaiming the State's rights and interests in the aforementioned surplus land to the owner of the fee in the land, said land being more particularly described in Exhibit A, attached hereto and made a part hereof.

WHEREAS, in SABINE COUNTY, Texas, on STATE HIGHWAY 87, the State claimed and used certain land for highway right of way purposes, there being no record title thereto; and

WHEREAS, portions of the aforementioned land are no longer needed for highway purposes or for use of citizens as a road, said surplus land being more particularly described in Exhibit A, attached hereto and made a part hereof; and

WHEREAS, Sabine County has, by resolution, requested the State to quitclaim its interest in said surplus land to the County; and

(Continued on next page)
WHEREAS, Article 6673a, V. A. C. S., authorizes the State to quitclaim to the County any interest which might have accrued to the State through its use of such property with no record title thereto; and

WHEREAS, it is the opinion of the State Highway Commission that it is proper and correct that the State quitclaim its interest in the surplus land to Sabine County in consideration of relieving the State Highway Department of the responsibility and cost of maintenance of such surplus right of way and in consideration of the land having been claimed and used by the State Highway Department without cost to the State;

NOW, THEREFORE, in consideration of the foregoing premises and in accordance with the provisions and within the purview of the aforementioned Statute, it is hereby recommended by the State Highway Commission that the Governor of Texas execute a proper instrument quitclaiming the State's interests in the aforementioned surplus land to Sabine County, said surplus land being more particularly described in Exhibit A, attached hereto and made a part hereof.

IT IS ORDERED BY THE COMMISSION, that Minute Order Number 55433, passed January 25, 1965, be and is hereby corrected to recommend a conveyance to the United States of America instead of to the International Boundary and Water Commission.

In BEE and REFUGIO COUNTIES, on bids received February 19, 1965, contract for construction of grading, base, surfacing and rock asphalt pavement from Beeville to Refugio, a distance of 30.711 miles on STATE HIGHWAY 202 and U. S. HIGHWAY 183, Control C 155-5-15, C 447-3-11, 447-3-12 and 447-4-6, Federal Project S 164 (4), is awarded to B. & E. Construction Company, Corpus Christi, Texas, for $401,365.59, which is the lowest and best bid.

In BOWIE, CASS, MARION, CAMP, HARRISON and UPSHUR COUNTIES, on bids received February 20, 1965, contract for construction of seal coat in the counties and between the limits listed below:

In CHAMBERS COUNTY, on bids received 9:00 A.M., February 19, 1965, at Austin, Texas, contract for construction of bridges and approaches 2.8 miles south of Farm to Market Road 565, a distance of 0.000 mile on FARM TO MARKET ROAD 1405, Control 1024-2-9, Maintenance Project MC 1024-2-9, is awarded to Pit Construction Company, Lufkin, Texas, for $13,587.28, which is the lowest and best bid.

In JEFFERSON COUNTY, on bids received 9:00 A.M., February 19, 1965, at Austin, Texas, contract for construction of bridge and approaches 1.14 miles west of Farm to Market Road 364, a distance of 0.000 mile on U. S. HIGHWAY 90, Control 28-6-28, Maintenance Project MC 28-6-28, is awarded to Pit Construction Company, Lufkin, Texas, for $23,073.47, which is the lowest and best bid.

In LUBBOCK COUNTY, on bids received until 2:30 P.M., February 11, 1965, at Austin, the contract for construction of an ADDITION TO DISTRICT LABORATORY BUILDING, AN ENGINEERING OFFICE BUILDING, and OUTSIDE UTILITIES on the District Headquarters Site at Lubbock, Jobs MC-5-U-9, MC-5-V-9, MC-5-W-9, is awarded to Hunter Bros. Construction Co., P. O. Box 587, Lubbock, Texas, for $98,820.00, which is the lowest and best bid.

WHEREAS, in BEXAR COUNTY on U. S. HIGHWAY 281 the City of San Antonio proposes the widening of San Pedro Avenue from Warren Street, south across Interstate Highway 35 to Quincy Street; and

WHEREAS, the City further proposes the widening of San Pedro Avenue from Quincy Street, south to Romana Street, a city thoroughfare not on the State Highway System; and

WHEREAS, the City also proposes the widening of Main Avenue, a city thoroughfare not on the State Highway System, from Elmira Street, south across Interstate Highway 35 to Quincy Street; and

WHEREAS, the City of San Antonio by official resolution has requested the Texas Highway Department to participate in the cost of widening these two streets; and

WHEREAS, an analysis of the requested work indicates that the proposed widening will materially improve traffic circulation; and

WHEREAS, in accordance with the present maintenance agreement these sections of San Pedro Avenue and Main Avenue are the maintenance responsibility of the City of San Antonio.

(Continued on next page)
February 25, 1965

NOW, THEREFORE, the State Highway Engineer is directed to tender the following proposals to the City of San Antonio:

Provided the City will:

1. Provide for the widening of San Pedro Avenue between Warren Street and Romana Street except for the section across the interstate right of way.

2. Provide for the widening of Main Avenue between Elmira Street and Quincy Street except for the section across the interstate right of way.

3. Pay to the State the actual cost of widening Main Avenue structure and approaches within the limits of the interstate right of way, including the cost of preliminary and construction engineering and contingencies.

4. Maintain that portion of the work which is its responsibility in accordance with the present maintenance agreement.

The Texas Highway Department will:

1. Pay for the entire cost of widening San Pedro Avenue structure and approaches within the limits of the interstate right of way.

2. Proceed with the development of P.S.&E. covering the proposed work within the limits of the interstate right of way on both San Pedro Avenue and Main Avenue, as provided elsewhere in this Order, place the work under contract and supervise construction.

3. Maintain that portion of the work which is its responsibility in accordance with the present maintenance agreement.

Upon the acceptance of the provisions of this Order by the appropriate officials of the City of San Antonio, the State Highway Engineer is directed to proceed with surveys and plans for the widening of San Pedro Avenue and Main Avenue structures and approaches with the understanding that the State's participation in the widening of these two structures and approaches is dependent upon the concurrence of the Bureau of Public Roads in the design of improvements proposed within the limits of the interstate right of way. After completion of plans, the State Highway Engineer is directed to submit the work for finance consideration of the Highway Commission in the next available program.

This Minute shall become operative upon acceptance by the City of San Antonio and if not accepted within 90 days of the date hereof shall be automatically cancelled.

WHEREAS, a delegation composed of representatives and public officials of Bexar, Atascosa, Live Oak, Jim Wells, Brooks and Hidalgo Counties appeared before the Highway Commission and requested a study and report covering a route from San Antonio to the Rio Grande Valley along U. S. Highway 281; and

WHEREAS, the importance of adequate facilities to meet the needs of traffic in the area and along a route from San Antonio to the Valley is recognized;

(Continued on next page)
NOW, THEREFORE, the State Highway Engineer is directed to proceed with such engineering, economic and traffic studies as may be required to determine the traffic needs and to establish an adequate and acceptable plan for a twenty-year period covering the design, geometric and right of way requirements for the future development and arrangement of this highway route from the proposed intersection of U. S. Highway 281 and Interstate Highway 37 near Three Rivers to U. S. Highway 83 Expressway in the Rio Grande Valley and to report back to the Highway Commission with recommendations as to such improvements that may be necessary to provide for the safe and expeditious movement of anticipated future traffic and the proper sequence of development by increments.

In BRAZOS COUNTY on FARM TO MARKET ROAD 60, from the Brazos River to Farm to Market Road 2513, a distance of approximately 4.1 miles, the State Highway Engineer is directed to proceed in the most feasible and economical manner with reconstruction of grading, structures and surfacing, at an estimated cost of $192,000.00, financing the cost in the 1966 Farm to Market Road Improvement Program.

WHEREAS, in CAMERON COUNTY, the San Benito County Drainage District No. 3 has under construction an outfall channel extending in a northerly and northwesterly direction from San Benito to Arroyo Colorado; and

WHEREAS, said channel will cross State Highway 345 and Farm to Market Road 1846 southeast of Harlingen; and

WHEREAS, the Drainage District has requested assistance in the construction of drainage facilities over such outfall channel; and

WHEREAS, it is the desire of the Highway Commission to assist in improving the drainage conditions in the area to the best of its ability consistent with the laws of the State of Texas and policies of the Texas Highway Department; and

WHEREAS, the completion of such drainage channel will reduce the volume of water which now flows through the existing outfall channel from San Benito in a northeasterly direction to Laguna Atascosa; and

WHEREAS, such condition will permit a reduction in the drainage facilities and approaches now authorized for construction on Farm to Market Road 1847 between Farm to Market Road 510 and Farm to Market Road 2358; and

WHEREAS, it is estimated that the cost of constructing Farm to Market Road 1847 can be reduced by construction of the outfall channel now under way by an amount sufficient to construct the drainage structure on State Highway 345;

NOW, THEREFORE, the State Highway Engineer is directed to advise the San Benito Cameron County Drainage District No. 3 that the Texas Highway Department will construct the drainage structure on State Highway 345 at its entire cost and expense provided the Drainage District will construct the necessary facility on Farm to Market Road 1846 at its entire cost and expense.

Upon acceptance of the provision of this Order by the Drainage District the State Highway Engineer is directed to proceed with the preparation of plans and construction of the drainage structure on State Highway 345, financing the cost with the savings that will accrue from construction of Farm to Market Road 1847.

This Order is subject to acceptance by the San Benito Cameron County Drainage District No. 3 and if not accepted within 90 days of the date hereof, the action herein contained shall be automatically canceled.
February 25, 1965

In CARSON COUNTY on INTERSTATE HIGHWAY 40, from 2.0 miles east of Potter County Line to 1.6 miles east of Conway, a distance of approximately 13.6 miles, the cost of construction is expected to exceed the original allotment of funds and the State Highway Engineer is directed to proceed with construction as planned at a revised estimated cost of $5,280,000.00, financing the additional cost of $2,020,000.00 in the 1965-1968 Interstate Construction and Right of Way Program.

In EL PASO COUNTY on INTERSTATE HIGHWAY 10, the State Highway Engineer is directed to proceed in the most feasible and economical manner with the construction of ramps at the Stock Driver Interchange in El Paso at an estimated cost of $23,000.00, financing the cost in the 1965 State Highway Safety and Betterment Program.

In FREESTONE COUNTY on FARM TO MARKET ROAD 27, the State Highway Engineer is directed to proceed in the most feasible and economical manner with the installation of flashing light signals at the Chicago, Rock Island and Pacific Railroad Crossing in Kirvin at an estimated cost of $11,000.00.

In HARRISON and PANOLA COUNTIES on relocation of U.S. HIGHWAY 59, from Gill south to near Grand Bluff, a distance of approximately 9.0 miles, the State Highway Engineer is directed to proceed with engineering surveys to establish the location, preparation of right of way data and to enter into Agreements with the appropriate local officials for the purchase of required right of way at an estimated State cost of $60,000.00 financing the cost in the next Consolidated Highway Program.

WHEREAS, in HOUSTON COUNTY, on FARM TO MARKET ROAD 2915, Minute Order 54477, dated May 6, 1964, officially designated said road, extending from Farm to Market Road 230, 10.0 miles south of Lovelady, west a distance of approximately 5.2 miles, and

WHEREAS, the Commissioners' Court of Houston County by resolution dated May 11, 1964 accepted the provisions of Minute Order 54477, and

WHEREAS, the Commissioners' Court of Houston County by resolution dated January 11, 1965 requested a revision of the project limits for said road;

NOW, THEREFORE, BE IT ORDERED that Minute Order 54477 be revised to designate Farm to Market Road 2915 as extending from Farm to Market Road 230, 7.0 miles south of Lovelady west a distance of approximately 5.2 miles. All other provisions of Minute Order 54477 are to remain in force.

This Order is subject to acceptance by Houston County and if not accepted within sixty days of the date hereof, the action herein contained shall be automatically canceled.

In HOWARD, MITCHELL and NOLAN COUNTIES on INTERSTATE HIGHWAY 20, IT IS ORDERED that the portions of the 1963-1964 Interstate Construction and Right of Way Program which authorized the purchase of right of way and construction of entrance and exit ramps and driveways for Safety Rest Areas 18.0 miles east of Big Spring and 4.0 miles east of Sweetwater be and are hereby modified to describe the projects as follows:

(Continued on next page)
WHEREAS, in HUTCHINSON COUNTY on RANCH TO MARKET ROAD 1319, the City of Sanford has requested assistance in the widening of pavement including incidental items thereto from Gouer Avenue to James Avenue, a distance of approximately 0.4 mile; and

WHEREAS, an analysis of the requested work indicates that such widening will materially add to traffic safety on this facility;

NOW, THEREFORE, the State Highway Engineer is directed to tender the following proposal to the City of Sanford:

Provided the City will:

1. Furnish all necessary right of way clear of obstructions and free of cost and provide for the immediate construction of continuous curb and gutter, utility adjustments, storm sewers, etc., all as may be necessary for a complete project with the exception of pavement widening.

2. Assume responsibility for the construction of driveways and sidewalks should they be deemed necessary now or in the future and agree to make such installations in accordance with governing policies and regulations of the Department.

3. Maintain that portion of the work which is its responsibility in accordance with present maintenance agreement and agree to regulate traffic, provide for parallel parking and prevent encroachment on the right of way, all in accordance with governing policies and regulations of the Department.

The Texas Highway Department will:

1. Provide for widening pavement and its support within these limits at an estimated cost of $24,000.00.

2. Maintain that portion of the work which is its responsibility in accordance with present maintenance agreement.

It is understood that the responsibility of the Texas Highway Department is confined to the pavement and its support, and all other features necessary now or in the future to provide an adequate travel facility shall be the responsibility of the City of Sanford.

Upon acceptance of the provisions of this Order by the appropriate officials of the City of Sanford, the State Highway Engineer is directed to proceed with the development of plans for construction and after the City has fulfilled its responsibilities proceed with construction in the most feasible and economical manner, financing the cost in the 1966 Farm to Market Road Improvement Program.

(Continued on next page)
February 25, 1965

It is understood that the City may discharge its construction obligations as outlined herein in any manner as they may elect. In the event the City desires the State to include their portion of the work in the State's construction contract, the State Highway Engineer is hereby authorized to enter into agreement with the City for such work and its cost as may be agreed upon.

This Order shall become operative upon acceptance by the City of Sanford and if not accepted within 90 days of the date hereof shall be automatically canceled.

In MILLS COUNTY on U. S. HIGHWAYS 84 and 183, from the Brown County Line southeast to Mullin, a distance of approximately 9.5 miles, the State Highway Engineer is directed to proceed with engineering surveys, the preparation of right of way data and plans and to enter into Contractual Agreements with appropriate local officials for the purchase of required right of way at an estimated State cost of $43,500.00, financing the cost in the next Consolidated Highway Program.

WHEREAS, in NEWTON COUNTY, a portion of State Highway 87 has been constructed on a new location near Trout Creek; and

WHEREAS, as a result of such construction the following described sections of the old route of State Highway 87 and Farm to Market Road 1004 are no longer needed for State Highway purposes:

From the junction of the old and new routes of State Highway 87, at Station 2387 + 00 on the new route, southerly along the old route, to the junction of the old and new routes, at Station 2482 + 00 on the new route, a distance of approximately 1.8 miles.

From the junction of the new route of State Highway 87 and Farm to Market Road 1004, at Station 2442 + 00 on the new route of State Highway 87, east along Farm to Market Road 1004, to its present terminus at its junction with the old route of State Highway 87, a distance of approximately 0.1 mile.

NOW, THEREFORE, IT IS ORDERED BY THE COMMISSION, that the designation of the above described sections of the old route of State Highway 87 and Farm to Market Road 1004 be and are hereby cancelled; and

FURTHER, that the State Highway Engineer be and is hereby directed to notify Newton County of this Commission action.

In POTTER COUNTY on INTERSTATE HIGHWAY 40, IT IS ORDERED that the portion of the 1963-1964 Interstate Construction and Right of Way Program which authorized Expressway construction from the west end of Eastern St at Interchange to 0.5 mile east of Pullman Road, a distance of approximately 4.7 miles at an estimated cost of $3,064,000.00, be and is hereby modified to provide for such construction including median barrier fence from Carter Street in Amarillo to 0.8 mile east of Pullman Road, a distance of approximately 5.1 miles at a revised estimated cost of $4,560,000.00.

In TARRANT COUNTY on INTERSTATE HIGHWAY 35W, IT IS ORDERED that Minute Order 457-41 which authorized the construction of an Illumination System in the City of Fort Worth extending from Seminary Drive south to the Interchange with Interstate Loop 820, at an estimated State cost of $80,000.00, be and is hereby modified to provide for the construction of such Illumination System from Seminary Drive south to Highland Terrace north, a distance of approximately 2.2 miles, at a revised estimated State cost of $125,000.00.
February 25, 1965

In VAL VERDE COUNTY on U. S. HIGHWAY 277, IT IS ORDERED that the portion of the 1963-1964 Consolidated Highway Program which authorized the purchase of right of way and construction of grading, structures and surfacing from 0.1 mile north of U. S. Highway 90, north 3.7 miles, be and is hereby modified to describe the project as extending from U. S. Highway 90, north 3.8 miles.

The State Highway Engineer is directed to proceed with the purchase of right of way as now authorized at a revised estimated cost of $12,500.00.

February 26, 1965

WHEREAS, Minute Order No. 55189 directed the State Highway Engineer to invite proposals from at least five competent consulting firms with an established reputation in the field of fiscal, accounting and electronic data processing as well as the affiliated administrative controls involved in the operation of a Highway Department for the purpose of making a financial management study of the Department; and

WHEREAS, invitations were addressed to eight competent firms to submit proposals by February 19, 1965; and

WHEREAS, six of the firms have submitted the requested proposals following personal interviews with representatives of the Department; and

WHEREAS, a thorough review and analysis of each proposal has been made;

NOW, THEREFORE, BE IT ORDERED that the firm of Ernst & Ernst of San Antonio, Texas, be selected to perform this study on the basis of their proposal dated February 15, 1965. The State Highway Engineer is authorized to enter into negotiations with said firm leading to the development and execution of a formal contract.

WHEREAS, in CAMERON and WILLACY COUNTIES in accordance with the public law, a public hearing was held in the City of Raymondville on January 29, 1965, covering the proposed route of U. S. HIGHWAY 77 from 2.5 miles north of Combes, north to the Kenedy County Line; and

WHEREAS, authorized representatives of the Texas Highway Department conducted the hearing and with the aid of maps explained the proposed routing; and

WHEREAS, every interested citizen was invited to make known his views, opinions and sentiments regarding the proposed routing; and

WHEREAS, the State Highway Engineer and each member of the State Highway Commission have reviewed the transcript of the public hearing; and

WHEREAS, after careful consideration of the suggestions made and the comments offered, it is believed that from the standpoint of economics, traffic service and over-all public interest, the route exhibited at the public hearing is the logical and proper route along which the ultimate location should be developed.

NOW, THEREFORE, IT IS ORDERED that the route as tentatively proposed by the Texas Highway Department and as displayed at the public hearing is hereby approved with the understanding that in the future development of plans for construction, consideration will be given to any design improvements that appear to have merit providing governing conditions will permit and such improvements or modifications are found necessary and desirable in the public interest.
February 26, 1965

In **CORVELL COUNTY** on **U. S. HIGHWAY 84** in the City of Gatesville, from the Leon River to East City Limit, **IT IS ORDERED** that the City of Gatesville's portion of the cost be and is hereby established at the fixed sum of $40,000.00.

In **DALLAS COUNTY** on **INTERSTATE HIGHWAY 45** a new location has been established from Hutchins north to Interstate Highway 20 in Dallas, and

**WHEREAS**, the Bureau of Public Roads approved the revised location with the reservation that Federal Interstate funds expended on the previously approved location within these limits be transferred to an active project, and

**WHEREAS**, within these limits a contract was executed June 6, 1957 for expressway illumination, for which Federal Interstate funds in the amount of $42,600.00 were received, and

**WHEREAS**, on November 6, 1961, a contract was executed for signing and delineation on Interstate Highway 45 from Grand Avenue in Dallas to the Ellis County line and Federal Interstate funds in the amount of $97,800.00 were received for the portion of the work performed within the limits from Hutchins to Interstate Highway 20 in Dallas.

**NOW, THEREFORE, IT IS ORDERED** that Federal Interstate funds in the total amount of $140,400.00 received for work previously performed on the old location of Interstate Highway 45 within the limits from Hutchins to Interstate Highway 20 in Dallas be transferred to an active Interstate Highway Project.

**WHEREAS**, in **ELLIS COUNTY**, **INTERSTATE HIGHWAY 45** has been completed and studies have indicated the need for a continuous frontage road on the west side from State Highway 34 in Ennis to the South Business Route Connection south of Ennis, a distance of approximately 1.8 miles; and

**WHEREAS**, the Ellis County Commissioners Court has officially requested the construction of a frontage road through a portion of this section, from State Highway 34 in Ennis to south of Creechville Road, which is Farm to Market Road 1181, for the purpose of proper circulation of traffic, connecting the local road network and providing for the orderly development of the surrounding area; and

**WHEREAS**, the State of Texas according to its records has already paid $1,315.00 in right of way damages, which, in the opinion of the State's appraisers, could have been eliminated at the time of original right of way acquisition had frontage roads been constructed.

**NOW, THEREFORE**, the State Highway Engineer is directed to tender the following proposal to the City of Ennis and Ellis County:

Provided that the City of Ennis and/or Ellis County will:

1. Pay to the Texas Highway Department the sum of $1,315.00 as reimbursement for right of way damages as recited hereinabove.

2. Assume responsibility for the construction of any driveways or other local access connections should they be deemed necessary now or in the future and agree to make such installations in accordance with governing policies and regulations of the Department.

(Continued on next page)
3. Agree to regulate traffic and prevent encroachment on the right of way, all in accordance with governing policies and regulations of the Department.

The Texas Highway Department will:

1. Construct a two-lane frontage road from State Highway 34 in Ennis to the South Business Connection south of Ennis and modify ramps as may be necessary for the proper operation of the facility at an estimated cost of $91,000.00, all on right of way presently owned by the State and such additional right of way as may be required in the vicinity of Farm to Market Road 1181 which will have been provided by others for this purpose.

2. Maintain that portion of the work which is its construction responsibility.

It is understood that the above is conditioned upon the U. S. Bureau of Public Roads accepting the proposed design and agreeing to the adjustment of the control of access line to allow access to said frontage road at such places as the design permits.

This Order shall become operative upon acceptance by Ellis County and the City of Ennis and if not accepted within 90 days of the date hereof, the action herein contained shall be automatically cancelled.

In EL PASO COUNTY on INTERSTATE HIGHWAY 10 in the City of El Paso from Clark Road, 1.0 mile east of Loop 16, east to Farm to Market Road 2316, a distance of approximately 3.4 miles, the State Highway Engineer is directed to proceed in the most feasible and economical manner with the construction of headlight barrier fence, at an estimated cost of $50,000.00, financing the cost in the 1965-1968 Interstate Construction and Right of Way Program.

WHEREAS, in EL PASO COUNTY on INTERSTATE HIGHWAY 10, the City of El Paso has requested the construction of an Illumination System from the West City Limit to the East City Limit; and

WHEREAS, the City of El Paso has requested such construction under the provisions of Minute Order 45302 whereby the State Highway Department will furnish and install at its sole expense all necessary equipment to complete the agreed fixed Illumination System and the Municipality will pay for the electrical energy and all costs of maintenance necessary to the operation of the System in an efficient and sightly condition;

NOW, THEREFORE, the State Highway Engineer is directed to enter into agreement with the City of El Paso for the ultimate construction of an Illumination System within the above limits in accordance with the provisions of Minute Order 45302.

The State Highway Engineer is also directed to proceed in the most feasible and economical manner with the construction of Illumination on sections within these limits at an estimated cost of $150,000.00, financing the cost in the 1965-1968 Interstate Construction and Right of Way Program.

In EL PASO, HUDSPETH and CULBERSON COUNTIES on U. S. HIGHWAY 62 and 180 and LOOP 16 from U. S. Highway 80 in El Paso to the New Mexico State Line, the State Highway Engineer is directed to make application to the Bureau of Public Roads for the addition of this route to the Primary Federal-Aid System.
February 26, 1965

WHEREAS, in FALLS and ROBERTSON COUNTIES, the need for relocation of STATE HIGHWAY 6 in the vicinity of Bremond for the convenience of the traveling public has been evident for a number of years; and

WHEREAS, Minute Order 50792 as passed by the Highway Commission on February 28, 1962, authorized advance planning to establish the location and determine right of way requirements with the understanding that the present location of State Highway 6 from Bremond northwest to a connection with the proposed relocation would be retained in the State Highway System; and

WHEREAS, it is the desire of the Highway Commission to reiterate its previous position that the present location of State Highway 6 from Bremond northwest to the proposed relocation will be retained in the State Highway System together with State Highway 14 and Farm to Market Roads now serving the area, and such routes will be improved as traffic demands and conditions will permit; and

WHEREAS, an initial increment of State funds for the State's portion of the cost of acquiring right of way on the relocation was authorized in the 1965-1966 Consolidated Highway Program; and

WHEREAS, the Highway Commission is of the opinion that the proposed relocation is necessary and desirable;

NOW, THEREFORE, the State Highway Engineer is directed to transmit a copy of this Order to the appropriate Officials of Falls and Robertson Counties for their concurrence in the action herein taken and to request that they proceed with diligence to acquire the right of way required for said relocation.

WHEREAS, in HARRIS COUNTY on U. S. HIGHWAY 59 in the City of Houston from Alabama Street, west to a connection with existing Southwest Freeway near Greeley Street, a distance of 1.0 mile, the State Highway Engineer is directed to prepare plans for the construction of a controlled access facility at an estimated cost of $3,429,000.00 and when plans are complete to submit the work for finance consideration of the Highway Commission in the next available construction program.

WHEREAS, in HARRIS COUNTY, George Consolidated, Inc. was awarded a contract for construction on INTERSTATE HIGHWAY 10, Project I 10-7(14)767, Control 271-7-33; and

WHEREAS, after completion of contract a claim in the amount of $5,153.23 was filed in behalf of W. H. Nichols & Co. Inc., subcontractor, which was denied by Minute Order No. 50667, dated January 26, 1962; and

WHEREAS, W. H. Nichols & Co. Inc. filed suit against the State of Texas, Cause No. 596,791 - 133rd Judicial District Court, Harris County, in the amount of $8,653.23; and

WHEREAS, the Attorney General recommends by letter dated February 23, 1965 that in the best interest of the State this suit be settled by agreed judgment for $2,696.66; and

WHEREAS, after a careful review of all factors involved in the claim, the Claims Committee concurs in the recommendation of the Attorney General.

NOW, THEREFORE, IT IS ORDERED BY THE State Highway Commission that Minute Order No. 50667 be cancelled.

(Continued on next page)
February 26, 1965

IT IS FURTHER ORDERED by the State Highway Commission that after careful consideration of all factors involved and relying heavily upon the considered judgment of the Attorney General the State Highway Engineer be directed to notify the Attorney General to settle this suit by agreed judgment in an amount not to exceed $2,696.66.

In JASPER COUNTY on FARM TO MARKET ROAD 777, IT IS ORDERED that the portion of the 1965 Farm to Market Road Improvement Program which authorized Level Up, Edge and Seal Coat, extending from U. S. Highway 190, 1.7 miles west of Jasper, south 2.2 miles, at an estimated cost of $4,300.00, be and is hereby modified to describe the project as extending from U. S. Highway 190, 7.1 miles west of Jasper, south and east 2.2 miles.

WHEREAS, in LUBBOCK COUNTY on U. S. HIGHWAY 87 from 1.0 mile south of Abernathy, south to Monroe Overpass, a distance of 8.0 miles, the State Highway Engineer is directed to prepare plans for the construction of an expressway facility at an estimated cost of $2,109,000.00 and when plans are complete to submit the work for finance consideration of the Highway Commission in the next available construction program.

In MONTGOMERY COUNTY on FARM TO MARKET ROAD 1097 in Willis, from Interstate Highway 45 to U. S. Highway 75, a distance of approximately 0.8 mile, the conditions of Minute Order 52029 having been complied with, the State Highway Engineer is directed to proceed in the most feasible and economical manner with the work of widening pavement at an estimated cost of $70,000.00, financing the cost in the 1966 Farm to Market Road Improvement Program.

WHEREAS, Minute Order Number 43831, dated April 24, 1958, stated that the Highway Commission anticipated that on the completion of Interstate Highway 37 within the City Limits of Corpus Christi, State Highway 9 would be removed from the State Highway System; and

WHEREAS, the City Council of the City of Corpus Christi has requested that the old location of State Highway 9 be retained from its future junction with Interstate Highway 37 near Loma Alta Road eastward to a junction with the expressway extension of Interstate Highway 37 near Belden Street as State Highway 9 Business Route; and

WHEREAS, subsequent studies have shown that it would be in the best interest of the traveling public to mark State Highway 9 Business Route over this route in Corpus Christi; and

WHEREAS, the proposed retention of the old location of State Highway 9 as State Highway 9 Business Route would entail the extension of U. S. Highway 181 from the Corpus Christi Harbor Bridge to the east terminus of Interstate Highway 37;

NOW, THEREFORE, IT IS ORDERED that the designation of State Highway 9 be terminated at Loma Alta Road, that the designation of U. S. Highway 181 be extended from the south end of the Corpus Christi Harbor Bridge to a junction with the east terminus of Interstate Highway 37 at Waco Street and that the old location of State Highway 9 be retained from Loma Alta Road eastward to downtown Corpus Christi, with this route and other appropriate city streets being designated as a Spur, with this Spur being marked as State Highway 9 Business Route from Loma Alta Road to the new location of U. S. Highway 181 as parallel segments of Interstate Highway 37 are completed.

(Continued on next page)
February 26, 1965

55669 Continued --

It is understood that the City of Corpus Christi will be responsible for the maintenance of State Highway 9 Business Route from Loma Alta Road to U. S. Highway 181 as agreed to by the City Council of Corpus Christi on January 27, 1965.

55670

In RUSK COUNTY on U. S. HIGHWAYS 79 and 259 in Henderson from the Traffic Circle south to junction of U. S. Highway 79 and U. S. Highway 259, a distance of approximately 1.9 miles, the State Highway Engineer is directed to enter into Contractual Agreements with the appropriate local officials for the purchase of additional right of way, at an estimated State cost of $7,000.00, financing the cost in the next Consolidated Highway Program.

55671

In TARRANT COUNTY on INTERSTATE HIGHWAY 35W, from north of proposed location of U. S. Highway 81 south to Interstate Loop 820, a distance of approximately 3.2 miles, the cost of construction is expected to exceed the original allotment of funds and the State Highway Engineer is directed to proceed with construction as planned at a revised estimated cost of $2,590,000.00, financing the additional cost of $603,000.00 in the 1965-1968 Interstate Construction and Right of Way Program.

55672

WHEREAS, in TARRANT and DALLAS COUNTIES in accordance with the public law, a public hearing was held in the City of Grand Prairie on January 12, 1965, covering the proposed route of INTERSTATE HIGHWAY 20 from a junction with Interstate Highway 820 in southeast Fort Worth, east to a junction with Interstate Highway 35E near the South City Limits of Dallas and the proposed route of Interstate Highway 635 from a junction with Interstate Highway 35E near the South City Limits of Dallas to the T.&N.O. Railroad south of U. S. Highway 175; and

WHEREAS, authorized representatives of the Texas Highway Department conducted the hearing and with the aid of maps explained the proposed routing; and

WHEREAS, every interested citizen was invited to make known his views, opinions and sentiments regarding the proposed routing; and

WHEREAS, the State Highway Engineer and each member of the State Highway Commission have reviewed the transcript of the public hearing; and

WHEREAS, after careful consideration of the suggestions made and the comments offered, it is believed that from the standpoint of economics, traffic service and over-all public interest, the route exhibited at the public hearing is the logical and proper route along which the ultimate location should be developed.

NOW, THEREFORE, IT IS ORDERED that the route as tentatively proposed by the Texas Highway Department and as displayed at the public hearing is hereby approved and the State Highway Engineer is directed to make such additional submissions to the Bureau of Public Roads as may be required with the understanding that when the final location has been determined, schematics have been prepared and right of way requirements determined that arrangements will be made for an additional public hearing covering the proposed schematic plan of development.

55673

In WARD COUNTY on INTERSTATE HIGHWAY 20, the State Highway Engineer is directed to proceed in the most feasible and economical manner with the construction of Monahans Loop Road Interchange and Approaches, approximately 1.0 mile west of State Highway 18, at an estimated cost of $145,800.00, financing the cost in the 1965-1968 Interstate Construction and Right of Way Program.
February 26, 1965

In SAN AUGUSTINE COUNTY on STATE HIGHWAY 7, from the Attoyac River to Shelby County Line, a distance of approximately 0.3 mile, the State Highway Engineer is directed to enter into Contractual Agreements with the appropriate local officials for the purchase of right of way at an estimated State cost of $1,000.00, financing the cost in the next Consolidated Highway Program.

In SHELBY COUNTY on STATE HIGHWAY 7, from the San Augustine County Line to South City Limit of Center, a distance of approximately 14.6 miles, the State Highway Engineer is directed to enter into Contractual Agreements with the appropriate local officials for the purchase of required right of way at an estimated State cost of $78,800.00, financing the cost in the next Consolidated Highway Program.

WHEREAS, in SHELBY COUNTY on STATE HIGHWAY 7, the City of Center has requested assistance in the construction of a street type section including incidental items thereto from U. S. Highway 96 to the South City Limit, a distance of approximately 1.7 miles; and

WHEREAS, an analysis of the request indicates that such work will materially add to traffic safety on this facility;

NOW, THEREFORE, the State Highway Engineer is directed to tender the following proposal to the City of Center:

Provided the City will:

1. Secure all necessary right of way according to policies of the Texas Highway Department and provide for the construction of continuous curb and gutter, storm sewers, etc., all as may be necessary for a complete project with the exception of pavement and its support.

2. Assume responsibility for the construction of driveways and sidewalks should they be deemed necessary now or in the future and agree to make such installations in accordance with governing policies and regulations of the Department.

3. Maintain that portion of the work which is its responsibility in accordance with present maintenance agreement, and agree to regulate traffic, provide for parallel parking and prevent encroachment on the right of way, all in accordance with governing policies and regulations of the Department.

The Texas Highway Department will:

1. Participate in the purchase of right of way at an estimated State cost of $5,400.00.

2. Provide for the construction of pavement and its support within these limits in future programs of work.

3. Maintain that portion of the work which is its responsibility in accordance with present maintenance agreement.

It is understood that the responsibility of the Texas Highway Department is confined to the pavement and its support, and all other features necessary now or in the future to provide an adequate travel facility shall be the responsibility of the City of Center.

Upon acceptance of the provisions of this Order by the appropriate officials of the City of Center, the State Highway Engineer is directed to enter into Contractual Agreements for the purchase of required right of way at an estimated State cost of $5,400.00, financing the cost in the next Consolidated Highway Program.

(Continued on next page)
February 26, 1965

55676 Continued --

It is understood that the City may discharge its construction obligations as outlined herein in any manner as they may elect. In the event the City desires the State to include their portion of the work in the State’s construction contract, the State Highway Engineer is hereby authorized to enter into agreement with the City for such work and its cost as may be agreed upon.

This Order shall become operative upon acceptance by the City of Center and if not accepted within 90 days of the date hereof shall be automatically canceled.

55677

IT IS ORDERED that the Regular Meeting of the State Highway Commission be closed at 12:45 P.M., February 26, 1965.

---oOoOoOoo---

I hereby certify that the above and foregoing pages constitute the full, true and correct record of all proceedings and official orders of the State Highway Commission at its Six Hundred and Twentieth Meeting, a Regular Meeting, held in Austin, Texas, on February 25 and 26, 1965.

(Billy Dell Adcock)
Chief Minute Clerk
State Highway Department of Texas
